Pulled Lines at 10:30 because of weather and high seas!

The Alternative's **Powder Puff** crew members, **Nancy Nabors** and **Heidi Keifer** holds their 15 pound plus king salmon. Their FELLOW crew members, Captain Henry Nabors and Dan Keifer hold the ladies other two kings.

Captain Henry Nabors and crew took first place with four kings that weighed in at 58 pounds. The two big fish were part of a DOUBLE the ladies handled in very BIG waves. Nicely Done!! Both of Nancy's fish were on 10 colors of leadcore with a green Ladder-back J-plug. Thanks Captain Phil Bustos for the advice - I think!!

The **Platt family** provided an outstanding meal for all the guest!! Thanks, Caroline, Rachel, Cassandra and Mark for all the hard work! The pork loin and the salads were outstanding. Homemade potato salad made at 11 pm the prior night!

The Reel Affair's Captain Hermann Christoph and crew came in second with a 10.6 pound king. Michelle Braden was the rod handler. Michelle was at her first Metro West steel-headers Tournament. She and Eric are new members this year. Welcome!!
