**Dave's report:** Good Morning fellow anglers! First I want to thank all who participated in the event including guests who attended the weigh in and lunch.

Weather had not been cooperating with us on Lake Erie tournaments this year. We had two cancellations out of the three events that were scheduled. I began following weather reports Wednesday before tournament day and with the forecast of NE 15-20 mph it looked like another would be cancelled. I decided to reach out to all the captains and see many would be willing to fish Sunday if the weather permitting. Unfortunately Jeff Kinney would not be able to fish because of work commitments. Friday morning weather forecast for Saturday was definitely not going to be fishable and we all decided Sunday forecast of NE winds of 5-10 mph would be much better conditions.

At 9:30 fish call almost all had fish in the box. Cole and his crew had their limit already and were catch and releasing trying to upgrade their catch. Due to rougher conditions than anticipated, and some struggling including me and my crew I decided to reach out to all captains and get a unanimous vote on changing weigh in time to 2 pm instead of the 1 pm scheduled weigh in. All the captains agreed.

Big congrats to Cole and his crew for their 1st place finish.

Also congratulations to Mike Zawacki on 2nd place finish as well as 1 st place big fish. Great time was had by all and happy we got this tournament in the books.
