

Benton Harbor Salmon Tournament - May 17, 2026 Results

Submitted by Mark Platt, Pictures - Kelly Kenney, Results - Henry Nabors

Day two of the tournament, weather was too nice so it took a toll on the catchin part. Shorts and t-shirt (till the flies came out) reminded me of that terrible winter y'all had but record setting winter Carol and I had in Arizona.

Fortunately I crewed with Dave Zawacki who kept us in the fish. I got to fight a 101/2 lb King that fought like he was a 30 Iber and watched Kam (Dave's son-in-law) fight a 8 lb Steely that matched the aerial display of the Blue Angels. A weekend of camaraderie with the club along with all the prayers everyone has been saying for Carol and I is just what the Doctor ordered (pun intended). Our lunch came out pretty damn good if I do say so myself !! I teamed up with Kim, owner of Zavotski's meats, Hired Dennis Kelley, and Kam who also brought the ingredients from the Butcher Shop to build these Sandwiches then asked Marilyn Thompson to deliver to the weigh-in which she graciously accepted. More thx go to Dennis and Dave for the rides (Boat and Truck), Dave Strunk for the extra fixins on the sandwiches, Chris Thompson for setting up the marina and tournament, Henry for printing and all of you for being there for Carol and I!! Kelly, thx for being an RN (y'all deserve a medal) and the photography and Jeff thx for kickin' our butts two days in a row. Port Captain Mark Platt
