

# Lake Erie Walleye Tournament June 10, 2023 Results

Submitted by Port Captains Fabian Sepulveda

**Port Captain Fabian Sepulveda:** Another walleye tournament done in Lake Erie; weather was perfect. Fishing was excellent, food and ice cream cones, hit the spot when you're fishing all day!

We had 9 boats sign up with 25 adults and 3 kids in the tournament. we kept 125 walleyes - some boats got their limits pretty easily. One or two boats got over 40 walleyes but kept 12. They could have kept 24!

For the tournament we weighed in 49 walleyes with a the total 110.80lbs.

Everyone was trying to get some big ones but most of the fish were small, between 1 to 2 lbs (still good eaters).

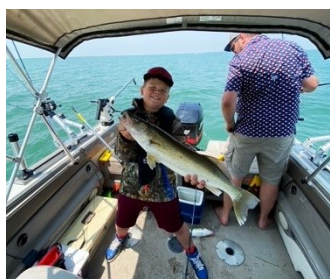

Congrats to "DON'T TELL MOM" and crew on the winning of the tournament and big fish with a total weight of 16.20 lbs and big fish to Preston Apostolopoulos with 3.60 lbs, second place "SALTY DOG" with 15.85 lbs and third place big fish 3.05 lbs .Third place was 'REEL TIME' with 14.90 lbs and also third place big fish 3.05 lbs, Fourth place 'BOUNTY HUNTER' with 14.20 lbs and second big fish 3.35 lbs. "DON'T TELL MOM" was their first tournament since they became members. WATCH OUT GUYS!

Another successful tournament. A big thank you to my daughter Niki for running the tournament with me and my wife Alessandra and kids Julia and Lucas for the help preparing the chicken salad sandwiches and also to BOB Schulz for bring in the tables and tent and helping set it up.
