Weather caused the cancellation of the Thursday tournament and club members agreed to hold the event on Friday. Weather was much improved with the exception of the fog rolling in and out early in the morning near the north light house. Fish call at 9am had twelve boats reporting. 40 crew members with 60 fish were caught by 9am. Boats returned to port for weigh in at 2pm. Lunch was served by Kim Zawacki and friends and the weigh in was held after lunch at the Harbor View Pavilion.

Congratulations Captain Steve for first place with 94.4 pounds and the two biggest fish! Captain Dave came in second with 76 pounds and the third and fifth largest fish! The results below show that 78 fish were caught with 49 weighed for 563 pounds! Captain Kirk placed third.

Started the day bright and early with a 3:30 AM wake-up to hit the water by 5, coffee in hand. Once out there, we linked up with other members—despite a few pieces of gear going missing, the competition was strong and the fish were biting! Back at the marina, everyone gathered for a well-earned meal of pulled pork, followed by spaghetti and salad, all while waiting to hear the cooler weights and who reeled in the biggest catch. Big congrats to those who rose to the top!

Congratulations Captain Jeff Kinney for first place with 69.55 pounds and the fourth biggest fish! Captain Hunter came in second with 82.1 pounds ! Captain Greg Wiacak placed third. Captain Bill Dodge caught the biggest fish - a 20.8 lbs king!! The results below show that 63 fish were caught with 44 weighed for 461 pounds!
