The Frankfort tournaments were very interesting this year because it put three of the top Captain of the Year captains working to capture the Captain of the Year Trophy for big lake captains. Bob Schulz, Richard Spangler and Kirk Traver were provided the information needed to know what it would take to move into first place for **2023**. Last year the Frankfort tournaments determined the **2022 Captain of the Year for Steve Spangler**. The final results for '23 will be announced at a later date!

**Co-Port Captains: Robert Grech and Chris Christoph - Saturday August 19th Tournament:** The weather was not cooperating this year. Heavy southwest winds gave us another day of what I call "Rodeo Fishing". Small craft advisories were posted beginning at noon, so I called the tournament to end at 11:00 A.M. Most boats were off of the lake by 10 and everybody was happy to have their feet on dry ground. Deb Grech provided for us a great luncheon with homemade very Sloppy Joes.

**Port Captains Bill Dodge & Chris Christoph - Sunday August 20th Tournament:** The tournament started with rough water from Saturday Blow in the AM that later turned out to be a nice day. Most boats fished the Herring Hole. The kings were there but very deep from all the wind on Saturday. Bounty Hunter did very well to find & stay on these fish. The boys did a great job landing all those fish. Good to see young fishermen get involved.

In addition, some nice kings were weighed by Sara Ann & Mr. Barkie. Texas True & Reel Affair were able to put fish in the box. On Smokin' Salmon, we threw everything out there but unfortunately no hits. I am still glad we got out on the water & gave it a try. A Slider Lunch & weigh in were at noon so that everyone could get an early start home.

Thanks to Robert Grech & Betsie Bay Marina for setting up the weigh in tables & facility. Thanks to Herman Christoff for Co-Chairing the Sunday event.

**John Somers:** Great trip with the boys again. Aiden had second place big fish with 17.45 on Saturday with a second place finish aboard the Bounty Hunter. Then big fish at 19.5 lb on Sunday with a first place finish. We boxed 3 Kings and 2 Coho for just over 64 lbs! Nice way to wrap up big lake season.

**Mike Apostolopoulos:** All I can say is Captain Bob is a great captain that cares about the next generation of the club and our Great fishing tradition.
