We were finally able to get good weather for the second scheduled walleye tournament. I had my crew lined up and we were ready to meet up at 6 a.m. sharp to get a strong start. Well, have you ever opened your eyes in bed and said to yourself, it seems kind of light out. At least it was the captain that was running behind schedule, so my crew couldn't leave the dock without me.

Most boat ran a mixture of bandits and crawler harnesses that morning and fish were caught from Breast Bay to the south end of the dumping grounds out of Bolles Harbor. Sometimes moving just a 1/2 mile made the difference between picking at them to really steady actions. By the time we headed to shore, the wind had picked up and made for trolling with the waves your only choice.

Once on shore and ready for lunch and weigh in, the wind became a real factor when trying to cook the hot dogs. Following lunch we had the weigh in and congrats goes to Captain Jeff Johnson of Heavy Metal for winning his first walleye tournament as a captain with crew members Fabian Sepulveda and Bill Drenning with a weight of 24.20lbs. Second was Dave Zawacki, Third was Jeff Kinney and fourth was Bob Schulz.

Respectfully, Bob Schulz
